

## Loudoun Soccer Referee Starter Package

We understand the costs associated with being a referee. We also know that the cost of a good referee package can be prohibitively expensive. Loudoun Soccer has worked out a package deal with Official Sports International (OSI) to put together a low-cost package for the entry-level referee. OSI is the official outfitter of USSF Referees, and the only one permitted to use the official USSF logo on their clothing. This package is more than adequate for the recreational referee or the new referee just getting started. The package consists of all the items you see pictured above. So, all the new referee has to provide is a pair of black shorts, a pair of shoes, a watch and a pencil to write with.

Total cost for the package is \$40.00, which includes shipping costs. Our intent is to break even on the cost and pass along our discount by ordering in quantities for our new referees. We will be placing an order at the beginning of the class to ensure that they are received and available the night the referees take their exams and receive their USSF badge. What if the new referee changes his/her mind and decides not to referee? Not a problem. LYSA will repurchase the uniform and hold it for sale to another referee in the next class. Our goal is to make sure that our referees continue to look like the professionals they are, and that the cost remains affordable.

We will be taking order during one of the classes. Checks should be made payable to **Loudoun Soccer**, in the amount of \$40.00. The only items that require sizing are the shirt and the socks. Shirts come in youth large, adult small, adult medium, adult large and adult x-large. Socks come in medium and large.

I would be happy to answer any questions you might have regarding this referee uniform package. Questions on this package can be directed to [refdirector@loudounsoccer.com](mailto:refdirector@loudounsoccer.com).
