

TEAM MATHIAS CHARITY GOLF TOURNAMENT

This April, the Leesburg community will gather for a day of GOLFING FUN and CHARITY by teeing off in support of Mathias Giordano, a local 12 year old diagnosed 18 months ago with Osteosarcoma, a cancer of the bone.

The Inaugural Team Mathias Charity Golf Tournament swings into action on **Wednesday, April 9th, 2014 at Raspberry Falls Golf & Hunt Club in Leesburg, VA.**

We invite you to join us in our fundraising efforts by becoming a 2014 supporter and making a financial contribution or a contribution of products and/or services to be featured in our silent auction. Whether you're a foodie, sports fanatic or just in search of a great gift to support a great cause, there will be something for everyone.

Being a financial sponsor or a silent auction donor provides countless opportunities for visibility. Sponsors and Silent Auction donors gain special recognition as patrons to the event. Your products or brand will have appropriate signage in our program and on bid sheets for the silent auction.

Our tournament will be an excellent opportunity for you to showcase your company while engaging customers and partners as they give back to our community. Your donation is the most charitable way to find new customers and reinforce existing relationships.

Please join us in our efforts to support Mathias' family for expenses that they incur for his medical and prosthetic treatments.

Financial contributions can be made through Loudoun Junior Golf Association, a 501c3 non-profit volunteer organization (federal tax ID#20-0029380) at <http://www.loudounjuniorgolf.org>. Upon receipt of any contribution, a receipt will automatically generate to your email address. Should you donate a silent auction item, we will provide you with a receipt via email as long as you send us your email address and contact information. That information can be emailed to Jackie Graham at jgraham@gofirsthome.com.

Many, many thanks for your consideration in helping with our fundraiser event to support Mathias.

We hope to see you out on the course on April 9th.
