A goalkeeper may play two matches maximum on a matchday (due to another club team's goalkeeper injury, sickness or absence) and only if the second match is specific to the goalkeeper position, AND both Directors are notified prior to the match being played; if there is no notification then this rule cannot be approved without forfeit.

Substitutions. Substitutions may be made at the discretion of the referee at any stoppage in play, in accordance with the IFAB Laws of the Game. There are no limitations to the number of substitutions that may take place during a match. Players who have been replaced by substitutes may reenter the match at any stoppage.
