

Loudoun Soccer Spring 2019 Rec Team Roster Assignments

Team assignments will be available on Friday, 3/15 around 5 PM. To view them, please log-in to your user account at

<https://tshq.bluesombrero.com/Default.aspx?tabid=2331503&isLogin=True>.

Beneath your child's name should be the program they're enrolled in and their team assignment, and a link to their Team Page. Your Team Page will list your coach's name, and will contain other information.

Coaches will be contacting their teams over the next several days; please give them some time to coordinate their "welcome" message and share important information such as practice schedules.

If your child does not have a team assignment: they have not yet been assigned due to several factors, including their registration date; the minimum and maximum number of players on a roster; and likely a need for additional coaches.

Notify us via email (see below) if you're interested and available to coach, which may allow us to place your child and others from our wait list. Volunteering to coach is a great way to give back to the community, bond with your child, and ensure their placement in the program. Volunteer coaches receive equipment and training, and request the practice days and times their teams train.

Players will be added to teams by their registration date when positions become available. All unrostered players will be issued refunds after April 13 if they are not assigned to a team.
